In Re: *Affidavit in Support of Criminal Complaint for*
JUAN VAZQUEZ GONZALEZ

AFFIDAVIT

STATE OF WASHINGTON)
) :ss
COUNTY OF SPOKANE)

INTRODUCTION

I, Trinity W. Street, as a Special Agent of the United States Department of Homeland Security, state that there is probable cause to believe that JUAN VAZQUEZ GONZALEZ has committed the crime of using a facility of interstate or foreign commerce, namely the Internet, to attempt to entice a minor to engage in illegal sexual activity, in violation of 18 U.S.C. § 2422(b).

TRAINING AND EXPERIENCE

1. I am a Special Agent (“SA”) with the United States Department of Homeland Security (“DHS”), Homeland Security Investigations (“HSI”), having

served in that capacity with Homeland Security Investigations, and its predecessor, Immigration and Customs Enforcement ("ICE") for approximately six (6) years. Previous to that, I served as an Officer with United States Customs and Border Protection ("CBP") and its predecessor, United States Customs Service ("USCS"), for approximately eight (8) years. I have attended and graduated from the Criminal Investigator Training Program and the ICE Special Agent Training Program, both of which were conducted at the Federal Law Enforcement Training Center ("FLETC") in Glynco, Georgia. At that institution, I received specialized training to include but not be limited to the following areas: narcotics investigations, immigration investigations, fraud investigations, cyber investigations, import/export investigations, child exploitation investigations, financial investigations, firearms, defensive tactics, use of force, surveillance, and undercover operations. In addition to my law enforcement training, I have also received my Bachelor of Science degree in the field of Criminal Justice from East Tennessee State University.

2. I am an investigative or law enforcement officer of the United States, within the meaning of Title 18, United States Code, Section 2510(7), who is empowered by law to conduct investigations of, and to make arrests for, offenses enumerated in Title 18, United States Code, Section 2516. In my capacity as a Special Agent with the United States Department of Homeland Security, I am

responsible for conducting investigations into the numerous laws enforced by the Department of Homeland Security, Homeland Security Investigations. Included among these are laws relating to attempted online enticement of minors for illegal sexual activity, as set forth in Title 18, United States Code, Section 2422(b). As a Special Agent, I have served as the affiant on numerous search warrants, complaints, court orders, and arrest warrants. I have participated in the investigation of cases involving the use of computers, cellular phones, and the Internet to commit violations of federal child exploitation laws including conducting surveillance, executing arrest and search warrants, and processing evidence.

3. I am currently assigned to the HSI Resident Agent in Charge ("RAC") Office of Investigations in Spokane, Washington.

4. The statements in this affidavit are based on my personal observations, my training and experience, my investigation of this matter, and information obtained from other law enforcement officers assisting in this investigation. Because I make and submit this affidavit for the limited purpose of securing an arrest warrant, I have not included each and every fact known to me or my colleagues concerning this investigation. I have set forth the facts that I believe are necessary to establish probable cause to arrest JUAN VAZQUEZ GONZALEZ for violating 18 U.S.C. § 2422(b).

SUMMARY OF PROBABLE CAUSE

5. I seek a warrant to arrest JUAN VAZQUEZ-GONZALEZ ("VAZQUEZ GONZALEZ") for attempting to entice a minor to engage in illegal sexual activity, in violation of 18 U.S.C. § 2422(b). As set forth below, there is probable cause to believe that VAZQUEZ GONZALEZ responded to an advertisement on Craigslist and thereafter attempted to induce a purported 13-year-old girl ("Kaylee") to engage in sexual activity that would constitute a crime under the criminal laws of the state of Washington. From August 24, 2017, through October 18, 2017, VAZQUEZ GONZALEZ engaged in numerous text and email conversations in which VAZQUEZ GONZALEZ attempted to entice Kaylee to engage in ^{"normal"} ~~vaginal and oral~~ sex. During those conversations, VAZQUEZ GONZALEZ communicated over the Internet, a facility of interstate and foreign commerce, with an undercover law enforcement officer (a "UC") who was purporting to be, at different times, Kaylee herself and Kaylee's father. Thus, VAZQUEZ GONZALEZ was attempting to entice Kaylee both by direct communications with Kaylee and by conversations with Kaylee's purported father as an intermediary. On October 18, 2017, VAZQUEZ GONZALEZ made arrangements to meet Kaylee's father at a coffee-shop in Spokane, Washington, within the Eastern District of Washington, to make final arrangements to engage in sexual acts with Kaylee that would constitute the crime of Rape of a Child in the

Second Degree, in violation of Revised Code of Washington 9A.44.076, and attempt to do so, in violation of 18 U.S.C. § 2422(b).

STATEMENT OF PROBABLE CAUSE

6. Between the dates of August 24-27, 2017, a multi-jurisdictional operation was conducted for individuals willing to engage in sexual activity with minors. I have spoken with Jeff Bickford, who is a police officer with the Richland, Washington, Police Department and is also a federal Task Force Officer (“TFO”) with the Southeastern Washington Internet Crimes Against Children (“ICAC”) task force. TFO Bickford told me the following:

7. On August 24, 2017, TFO Bickford posted an advertisement on Craigslist.com, which I know from my training and experience is a website on which people can locate other people, including minors, for sexual contact.

8. The advertisement was specifically posted in the “Casual Encounters” sub-section of the personal advertisements and was entitled “Fresh and new – m4m.” The advertisement read “Ive got a 14 year old blue bicycle for sale. Great condition and only ridden 1 time. HMU if interested.” I know from my training and experience that the acronym “HMU” is short for “hit me up,” meaning “make contact with me.”

9. I know from working with and speaking with TFO Bickford that he has significant experience working in an undercover capacity (“UC”) on vice

crimes in person, and while using email, telephone and other digital platforms, including text messaging and social media. I know that TFO Bickford has not only attended training on undercover internet investigations but has also taught undercover internet investigations at various locations around the United States. I know from my own training and experience, and I know that TFO Bickford knows from his firsthand experience as well as his own training and experience, that people who knowingly engage in illicit sexual conduct with minors often use code words to communicate their criminal intent, in an effort to thwart and evade law enforcement.

10. On October 18, 2017, TFO Bickford told me that on August 24, 2017, TFO Bickford had received an email response to the Craigslist advertisement that he had posted, as set forth above. The email was routed through the Craigslist anonymizer, which prevented TFO Bickford from seeing the responder's bona fide email address. However, the Craigslist username "Adominis goering" was associated with the email account that had been used to send TFO Bickford the reply. The reply said "ok, what else can you tell me?"

11. On October 17-18, 2017, TFO Bickford sent me the email and text conversations he had with Craigslist user "Adominis goering" (later identified as JUAN VAZQUEZ GONZALEZ), and discussed the conversations with me in

person. My knowledge of the content of those conversations comes from my review of what TFO Bickford sent me and what we discussed.

12. The following are excerpts of the email communications between Craigslist user "Adominis goering" and TFO Bickford's undercover persona, "J Duncs," who was purportedly the father of a fictitious 13-year-old girl named "Kaylee." female. "J Duncs"' email is "dadovtoo@gmail.com." The name associated with the account is "J Duncs."

Suspect: Ok man, we'll keep in touch.

Oct 5:

Suspect: Just a little friendly hi. [this email was accompanied by a photo of 3 minor girls wearing sports bras and briefs. The girls' stomachs, legs, arms are visible. The girls appear to be about 13 years old. The pictures do not constitute child pornography under the federal definition of child pornography].

TFO Bickford: Damn! Hot

Suspect: Glad you liked it ;)

Oct. 10:

Suspect: You coming to town anytime soon?

Oct. 12:

Suspect: This is me, just a regular nice guy. With a nice fetish ;) [This email was accompanied by a photo of a long-haired Hispanic male, standing on a balcony. He is giving the sign language sign for "I love you" with both hands and is wearing a dark colored shirt with what appears to say "Led Zeppelin" on it.]

13. During the course of the email communications, the suspect provided his cell phone number to TFO Bickford, stating "ok will do, my number is 2086250634."

14. TFO Bickford reported to me that he checked this number in the Law Enforcement Information Exchange, a law enforcement phone number search resource and learned that the number was assigned to or associated with Juan VAZQUEZ GONZALEZ.

15. On October 17-18, TFO Bickford shared the table below with me, which is a record of the text communications that TFO Bickford received and sent

to VAZQUEZ GONZALEZ, who was using the telephone number 208-625-0634. Calls indicating "incoming" are messages from VAZQUEZ GONZALEZ. Calls indicating "outgoing" are outgoing messages from TFO Bickford. The following are excerpts from the text message conversation up to 5:58 p.m. on October 18, 2017:

18. On October 18, 2017, TFO Bickford told me that he met with VAZQUEZ GONZALEZ in person earlier that day, as follows:

a. On October, 18, 2017, at approximately 1728 hours, VAZQUEZ GONZALEZ meet with TFO Bickford, acting in an undercover capacity as "Jeff," the father of Kaylee, at the Starbucks located at 1310 North Ruby Street, Spokane, Washington. VAZQUEZ GONZALEZ and TFO Bickford discussed the arrangement for VAZQUEZ GONZALEZ to have sex with "Kaylee," who was "Jeff's" fictitious 13-year-old daughter.

b. During the meeting, VAZQUEZ GONZALEZ said he did not want to get "Kaylee" pregnant, but would have to go back to his residence to get condoms.

c. VAZQUEZ GONZALEZ told TFO Bickford that he had to go back to his residence to take an inventory of video games and that TFO Bickford could bring Kaylee to VAZQUEZ GONZALEZ's apartment. As set forth above, VAZQUEZ GONZALEZ had stated in earlier text messages with TFO Bickford that he did not have a lot of money, but that he would give Kaylee video games. On October 17, 2017, TFO Bickford (who was then using the Kaylee persona) told VAZQUEZ GONZALEZ "...u no that even if u give me PS3 games it's not for weird stuff. Only normal." VAZQUEZ GONZALEZ said "Ok sounds good to me." VAZQUEZ GONZALEZ had previously said he was "...into normal sex..." During the in-person meeting, VAZQUEZ GONZALEZ said that he had to go back to his residence to take an inventory of the games and that TFO Bickford

(who was meeting with VAZQUEZ GONZALEZ in the persona of Kaylee's father) could bring Kaylee to his apartment.

d. Toward the end of the meeting with VAZQUEZ GONZALEZ, VAZQUEZ-GONZALEZ states that he (VAZQUEZ GONZALEZ) knew the rules and told "Jeff" that he (VAZQUEZ GONZALEZ) would not get Kaylee pregnant or engage in anal sex with her.

19. On October 18, 2017, TFO Bickford told me that at approximately 1754 hours on that same day, VAZQUEZ GONZALEZ was taken into custody by Department of Homeland Security Special Agents, was advised of his constitutional rights, and invoked his right to consult an attorney.

Following the arrest of VAZQUEZ-GONZALEZ, TFO Bickford sent a "test" text message to the subject's cell phone to ensure it was the same phone used for the prior communications.

20. I know from reviewing the casefile that VAZQUEZ was born in 1984.

Therefore, I know that the physical acts that VAZQUEZ GONZALEZ discussed with "Kaylee" and "Jeff" would constitute a violation of Revised Code of

Washington 9A.44.076, a state law that prohibits Rape of a Child in the Second

Degree, defined as follows: "A person is guilty of rape of a child in the second degree when the person has sexual intercourse with another who is at least twelve years old but less than fourteen years old and not married to the perpetrator and the perpetrator is at least thirty-six months older than the victim."

21. For the reasons set forth above, I believe there is probable cause to arrest VAZQUEZ GONZALEZ for a violation of 18 U.S.C. § 2422(b), attempted

online enticement of a minor, through the use of a facility of interstate commerce, namely, the Internet, to engage in sexual activity for which a person can be charged with a criminal offense.

I swear, under penalty of perjury, that the foregoing is true and correct to the best of my knowledge.

Respectfully submitted,

Trinity W. Street
Special Agent, Homeland Security Investigations
